

DR. BELTER

C O S M E T I C

PROFESSIONAL CARE CONCEPT

Facials & body treatments

Quality inspired by nature! Dr. Belter uses only the best organic ingredients. The Dr. Belter line is made with 95 – 100% natural ingredients and contains no parabens. The product lines contain patented clinically proven performance ingredients developed over 35 years of German research. This award

winning line of skincare is used exclusively in our facials and body treatments. You'll see and feel the difference in your skin's health after experiencing our treatments. All facials and body treatment incorporate five important steps:

Cleansing • Exfoliation • Massage • Mask • Finishing Cream

COCOON

This facial uses pure 5 chain hyaluronic acid and other highly effective hydrating ingredients to rejuvenate your skin and improve the overall appearance of your skin. The facial mask is a light and airy whipped mask that resembles a cocoon. Relax and let all your cares slip away while you rest and then blossom into a beautiful butterfly.

LIFT

A phenomenal facial that does what it is named after. For mature skin needing that extra attention and boost, patented stem cells are massaged into the skin and then a full face pure collagen mask is applied to the skin. This facial will liven up your skin and leave you wrinkleless poreless and picture ready for any occasion.

CHAMPAGNE

Celebrate with a glass of Champagne! Indulge your skin with the healing and anti-oxidant properties of real champagne and vino-therapy. Pure Collagen will cover your tired eyes while a creamy sensational anti-aging mask caresses your skin. This facial will leave your skin radiant and ready for a night on the town.

COLLAGEN

This is an anti-aging facial designed for sensitive skin. Pure Collagen is very healing and especially suitable for delicate and sensitive skin. Vitamin E serum is applied to the skin prior to the mask using fan brushes for the added calming and rejuvenating of the skin. Skin with broken capillaries or rosacea will love this facial.

Facials & body treatments

SILK

A classic treatment using hyaluronic acid and silk proteins to hydrate the skin. This sensational facial will leave your skin silky soft and supple, during the facial a fabric silk scarf will caress your skin leaving you feeling relaxed and energized for the rest of your day.

CALM

This facial is designed for people who suffer from Rosacea. The ingredients used in this facial will soothe sore capillaries and reduce redness. Your skin will glow and be clear of any redness. This facial strengthens the capillary walls and is designed to control redness.

CAVIAR

Perfect if your skin is in need of repair. If your skin has suffered from environmental damage or extreme temperature changes this facial is for you. It will give your skin the essential fatty acids your skin craves and maximum protection against photo aging.

GENTLEMAN

Designed to de-stress a man and make all his cares run away. This anti-aging treatment uses a modelage alginate mask only for men. Ampoules are massaged into the skin and an eye treatment is performed. This facial is fantastic, the skin will be renewed and firm.

MODELAGE

For those of you looking for a firming lifting facial this is the one. Vitamins and anti-aging therapies are applied to the face the skin is then gauzed, and a warming modelage mask is left on the skin to lift and re-shape aging skin. This mask covers your eyes and lips giving attention to all areas of your face.

SMOOTH

This treatment is nicknamed the "butt facial". Cellulite will be smoothed and reduced in appearance. This treatment stimulates blood circulation and removes impurities and toxins from your body. The rubber mask applied to your buttocks will leave your skin looking amazing.

LUMINATION

The secret to beautiful clear skin is in this facial. Relax while your therapist uses all of the best ingredients to brighten and lighten age spots and dull skin. Your skin will glow and feel soft and healthy after this hydrating pigmentation facial.

CLARITY

Perfect for oily or acne prone skin. Your skin will feel so clean and refreshed after this facial. You will be red carpet ready and blemish free in no time with this miraculous facial.
