Stop in **ANYTIME**
This is a **FREE** training class!

The Medispa Skin Care system offers a state of the art, multi-faceted skin rejuvenation process that guarantees improvement in the tone, texture, tautness, and overall health of the skin.

Sapphire Photo Abrasion is the ultimate combination therapy for the skin. It combines the latest in red and blue light rejuvenation therapies, lymphatic drainage, and micro current with botanically infused phyto-active treatment gels that dramatically improve the skin's health & appearance from the very first treatment!
