Professional Focus

The DR.BELTER PROFESSIONAL CARE CONCEPT is the result of decades of orientation toward the needs of professional users. Nature-connectedness, diversity, compatibility and visible results have always been the central focus of development.

Full Professional Salon Range

Almost all cleansing and care products exist in retail as well as salon sizes. These salon items are labelled »professional«. In addition to that, an extensive range of special salon items offers various special treatments, both classic and innovative. Anti-aging, problem skin and wellness treatments can be composed.

Personalized Treatments

The products of the different care lines are designed to be so compatible to each other that they can be combined freely. This compatibility allows composing personalized and ever new treatments. The treatments can be organized around various topics like Thalasso, anti-aging with phyto-hormones, peptide anti-wrinkle, moisture and refreshment, vitamins, herbal spa, aroma exoticism...

Exclusive Treatments

Professionals can easily work with our complete set of exclusive treatment procedures, such as:

PhytoCell-bio-Matrix – express-lift Treatment
Bio-Mousse Cocoon Grenadine Treatment
Daydream Silk Treatment
Hydroprotective Rosacea Treatment
