PROFESSIONAL CARE CONCEPT

*Line »A«
freshness and active care
for impure skin*

Problem skin solutions – made in Germany

The Line »A« products consider the specific needs of oily and impure skin. Effective, gentle and pleasant formulas based on natural science allow a focussed treatment. They counteract excess sebum production, comedogenesis, the growth of acne bacteria and the resulting inflammation. Used regularly, they offer visible and reliable improvement.

- ▶ 95 – 100% natural ingredients
- ▶ free of mineral and silicone oils
- ▶ patented ingredients for visible results
- ▶ maximum skin compatibility
