

DR. BELTER

C O S M E T I C

PROFESSIONAL CARE CONCEPT

*Line »N«
natural & economical care
for young skin*

Line »N« is one of the eleven DR.BELTER® beauty care lines. A natural and economical range for young, uncomplicated skin types and newcomers to skin care with active ingredients.

It contains gentle and biological ingredients such as vitamins, aloe vera, algae- and carrot extracts. Altogether the mild, well-balanced product formulas safeguard the beauty of the skin, balance small faults and support the skin's natural resistance. Mild and fresh fragrances make daily application a pleasure.

- ▶ top price – performance ratio for a small budget
- ▶ 95-100 % natural ingredients
- ▶ free of parabens, mineral and silicone oils
- ▶ quality – made in Germany
