PROFESSIONAL CARE CONCEPT

*»Bel-Energen«
top performance face care*

Line »Bel-Energen« stands for specific anti-aging skin treatments. The formulas reflect the latest developments in skin and active ingredient research. Valuable natural and scientific active ingredients offer maximum care benefits to the skin. Consistent application leads to visible and sustainable care results.

The »Bel-Energen« products are free of mineral- and silicone oils and contain 95-100% natural ingredients.

- ▶ CAVIAR ARCTICA BALANCE Repair treatment with algae modellage
- ▶ PHYTO-SENSATION phytohormon replenishing treatment with fan brushes
- ▶ DERMO-RELAX anti-wrinkle treatment with collagen fleeces
- ▶ PRO-EVENT fresh-cells treatment with fleece pallets
