

»Bio-Classica«  
silk face care  
- natural & effective

# B »Bio-Classica«

The »Bio-Classica« care line offers effective, vitalizing skin care products tailored to meet your skin's individual needs. Using natural and scientific actives such as silk proteins, retard spheres, hyaluronic acid and milk peptides, the »Bio-Classica« formulas are composed to make the skin look and feel healthier and radiant, while offering the highest protection from environmental influences.
